Here you can find the [menu](#) of Adelphi Vaults in Isle of Anglesey. At the moment, there are **20** menus and drinks on the food list. This traditional Welsh public house in the most northerly port in Wales offers a large selection of beers, wines, and spirits, including 3 real ales on tap from local Welsh breweries. The Elderflower Ale is a popular choice. The ground floor bars have been recently refurbished with new seating and tables, and the pub shows Sky and BT Sports on 5 TVs scattered throughout the location. There is also a nice beer garden that becomes warm when the sun is out. The pub is pet-friendly and well-behaved owners are welcome. A new menu has been introduced featuring award-winning Pies from Pieminster, served on a bed of mashed potatoes, minted mushy peas, and gravy. Some of the pies are gluten-free, and there are options for vegetarian and vegan diets. Guests can expect generous portions, and the staff is more than willing to accommodate any special requests to make your visit memorable.
