On this webpage, you can find the **complete menu** of Al Masar from Newham. Currently, there are **16** meals and drinks available. Al Masar presents a mixed yet intriguing experience for diners. While some patrons leave disappointed by chaotic takeout services and disappointing takeaway options, many others rave about the flavorful dishes and friendly staff. Standout offerings include the marinated shish taouk, roasted lamb, and exceptional falafel, praised for their freshness and taste. The restaurant's cozy atmosphere enhances the overall experience, although the lack of a liquor license may deter some. With the option to bring your own alcohol, Al Masar remains a solid choice for those seeking affordable Lebanese cuisine without compromising on flavor.
