Here you can find the [menu](#) of **Waterford Castle Golf Resort** in Waterford. At the moment, there are **18** meals and drinks on the card. Waterford Castle offers a mix of experiences, from a delightful meal with fresh food and excellent service to a slightly disappointing stay in the lodges with maintenance issues. The beautiful castle itself is marred by small disappointments such as dirty cutlery. While the location and attention to detail are top-notch for weddings and romantic stays, certain areas like the lodge amenities and cleanliness may need improvement. Despite some hiccups, guests still appreciate the island's dreamy atmosphere, well-maintained grounds, and friendly staff. Overall, a visit to Waterford Castle is an experience worth considering.
