A **comprehensive [menu](#) of Thai Bowl** from Bassetlaw covering all **16** meals and drinks can be found here on the card. Nestled in Retford, The Thai Bowl has garnered a spectrum of feedback that oscillates between discontent and praise. While some diners lament the lack of authentic flavors—citing undercooked dishes and poor customer service—others celebrate the quick delivery and hot meals. The crispy pork and chili sauce have become favorites for those seeking decent Chinese takeaway, though some have encountered discrepancies in their orders. Despite frustrations over cash-only payments and underwhelming starters, many continue to find satisfaction in the varied vegetarian options and easy online ordering. A restaurant with potential but an uneven track record.
