A **comprehensive menu** of The Fish Market from Mullingar covering all **15** meals and drinks can be found here on the menu. The Fish Market in Mullingar offers a specialist fish and chip takeaway experience with OK food quality but lacking in some areas like chips. Despite the quality, the restaurant can get quite busy, so phoning in orders is advisable. On the upside, customers have encountered very good service and delicious meals, with the chowder being particularly noteworthy. More seating options are desired by patrons, but the overall sentiment leans positively towards the establishment, with a wish for a larger, licensed restaurant to fully enjoy the fantastic food offered.
