Here you can find the [menu](#) of **Glassblower** in Wakefield. At the moment, there are **16** meals and drinks on the menu. The Glass Blower, a Wetherspoon's pub in Castleford, offers a mixed experience for its patrons. Architecturally appealing with outstanding woodwork, some have found the staff particularly friendly and efficient. However, there have been complaints about cold bacon and a decrease in burger size. The atmosphere is described as comfortable and busy, with a good selection of beers and reasonably priced alcohol. The restaurant can get noisy and busy during peak times, but overall, it is considered a decent spot for a drink or meal. Service can sometimes be slow due to poor WiFi for ordering on the app.
