A **complete menu** of **The Fish** from Powys covering all **22** meals and drinks can be found here on the menu. This chippy, while offering a nostalgic taste of childhood with their chips, has received mixed reviews. Some customers have experienced issues with food quality, while others have praised the friendly staff and gluten-free options. The portion sizes are generous, but there have been instances of undercooked chips and rude staff members. Overall, the atmosphere is a hit-and-miss, but the prices are reasonable for classic fish and chips. It seems like a decent spot for a quick, affordable meal if you can overlook some inconsistencies.
