A **comprehensive [menu](#)** of Happy House Chinese from Tendring covering all **19** menus and drinks can be found here on the food list. Despite a few negative reviews, Happy House takeaway seems to have mixed feedback. Some customers complained of dry meat, old oil, unappetizing food, and missing items. However, others praised the restaurant for great service, large portions, tasty food, and friendly staff. The sweet and sour chicken balls stood out as one of the largest and crispiest seen. Overall, while some diners might consider it a hit or miss, many find Happy House to be a reliable option for a satisfying Chinese meal.
