Morrisons Café in West Kirby offers a spectrum of dining experiences, from affordable comfort food to a concerning decline in hygiene standards. While some patrons appreciate the friendly staff and decent value, others lament the sticky tables and unclean cutlery, noting the lack of attention from busy, distracted employees. Many customers have encountered slow service and subpar food quality, leading to disappointment. Despite these issues, a few diners still find joy in simple snacks and affordable meals, reminding us that a friendly atmosphere can sometimes make up for lapses in execution.
