The Spencer pub continues to be a beloved local haunt, praised for its cozy ambiance, friendly staff, and comfortable setting, ideal for gatherings or a relaxing meal. While many enjoyed delicious meals and a diverse menu, particularly for omnivores and vegetarians, vegan options fell short. Some patrons experienced disappointing service regarding bookings and food quality. Nevertheless, the warm atmosphere, highlighted by charming decor and attentive bartenders, creates an inviting space for all. Despite its flaws, The Spencer remains a desirable destination for those seeking hearty roasts or a cozy drink, all while being embraced by the local community.
