The Ward Jackson, a popular Weatherspoons in Hartlepool, offers a vibrant atmosphere and friendly service, drawing in regular customers with its diverse menu and reasonable prices. Diners rave about the delicious festive burger and affordable pints of Guinness, with many appreciating the quick service. However, some experiences were marred by rude staff behavior and peculiar food pairings, such as lasagna served with tartar sauce. While the initial charm of the venue is appealing, cleanliness, particularly in the restrooms, raised concerns among visitors. Overall, The Ward Jackson remains a hit, albeit with room for improvement.
