Here you can find the [menu](#) of **Coast To Coast** in Brighton and Hove. At the moment, there are **17** dishes and drinks on the card. In a cozy yet somewhat gloomy setting, a local restaurant serves a mixed bag of experiences.

The friendly service, with attentive waitstaff, stands out despite slow food delivery. Diners appreciate the cocktails and large portion sizes, though some dishes, particularly meats, have been criticized for being overcooked or reheated. While the ambiance has its charm, the décor may feel overly fussy for some. Desserts receive high praise, especially the caramel pecan pie, promising a sweet ending to the meal. Overall, while aspects of the dining experience shine, consistency in food quality remains an area for improvement.
