On this homepage, you can find the **complete [menu](#) of Hardwicke Arms** from South Cambridgeshire. Currently, there are **17** courses and drinks available. The restaurant, recently under new management, presents an uneven dining experience. While some patrons appreciate the improved decor and enthusiastic service, others lament the lack of atmosphere and delayed, subpar food. Complaints about hygiene practices and limited menu options contrast sharply with positive remarks regarding delicious specials and attentive chefs. Although a few diners enjoyed friendly and personal service, many felt underwhelmed by basic offerings and missing items.

Overall, the establishment shows potential with dedicated staff and appealing dishes, but significant improvements in customer experience and menu variety are necessary to consistently win over guests.
