Here you can find the [menu of Shere Khan](#) in Birmingham. At the moment, there are **16** courses and drinks on the food list. This restaurant offers a varied dining experience that leaves patrons divided. Some guests appreciate the flavorful lamb karahi and attentive service, while others lament oily dishes and inconsistent food quality, with some items like the Shere Khan special arriving cold. A lack of complimentary extras and occasional language barriers among staff hinder the experience. Although the ambiance needs brighter lighting and a decor refresh, friendly service from some waitstaff shines through. Overall, while the food can be delicious, diners cite inconsistencies that might affect their return visits. A promising spot that still has room for improvement.
