On this webpage, you can find the **complete menu** of Pave from Kingston upon Hull, City of. Currently, there are **17** courses and drinks available. Pave presents a mixed dining experience that balances a vibrant drink selection with inconsistent service and decor. While the beer and cappuccino offerings delight guests, many express concern over the unfriendly service and the establishment's need for a refresh, citing worn furnishings and a shabby chic atmosphere. The outdoor spaces are praised for their ambiance, while the food receives positive feedback, especially the halloumi and Pave burgers. Despite high prices and erratic attentiveness, the lively environment—especially during live music events—remains a draw. With improvements in service and decor, Pave could reclaim its status as a local favorite.
