On this homepage, you can find the **complete menu** of **Lulu's Tea Rooms** from Isle of Wight. Currently, there are **17** dishes and drinks up for grabs. Nestled on the Isle of Wight, Lulu's tea room presents an inviting atmosphere, though experiences vary. While many appreciate the charming decor and attentive staff, others note a lack of warmth and care. Diners praise the generous portions of sandwiches, like the ham and cheese baguette, and delightful desserts such as carrot cake. The café is lauded for its flexibility in accommodating dietary needs and for being pet-friendly. However, inconsistency in service and a disheartened ambiance reported by some detracts from the overall experience. Despite the mixed reviews, Lulu's holds promise for a lovely meal, should you catch it on a good day.
