A **comprehensive [menu](#) of Courteney's** from Rother covering all **18** courses and drinks can be found here on the menu. Nestled conveniently across from Manor Barn, this charming café boasts a vibrant atmosphere and a tempting array of breakfast, lunch, and delightful cakes. While many patrons rave about the friendly service, delicious breakfasts, and outstanding coffee, others have expressed disappointment in service delays and stale desserts. The establishment excels with a variety of milkshakes and well-priced, high-quality food, making it a solid choice for a casual outing. However, potential diners are advised to check preferences, especially for items like afternoon tea. Overall, a place worth visiting, but with room for improvement in service efficiency.
