A complete [menu](#) of Blakes Of Dover from [Dover](#) covering all 18 menus and drinks can be found here on the menu. Nestled in a quaint setting, this restaurant initially captivates with its charm but fails to deliver on food and service. Numerous patrons report poorly cooked dishes, unclean cutlery, and a lack of attentiveness, creating an uninspiring experience. In stark contrast, another nearby establishment consistently impresses with its excellent steaks and homemade meals, prompting customers to rave about the superior food quality and warm service. While some guests have encountered delightful surprises, others leave dissatisfied after their dining experience. Overall, this restaurant struggles to meet expectations, while neighboring venues continue to shine in the culinary landscape.
