On this webpage, you can find the **complete [menu](#) of Palmerston Dining Room** from Southwark. Currently, there are **17** menus and drinks available. The Palmerston, once a beloved gastropub, now presents a varied dining experience. Diners appreciate the charming atmosphere, especially on quieter evenings, and the attentive, friendly staff. However, many have noted a decline in food quality, with dishes often served cold and lacking in flavor. Menu inconsistencies also disappoint, from unremarkable Caesar salads to overly salty croquettes. While the wine selection shows promise, the presentation can feel cheapened. Yet, some guests still find delight in excellent service and the cozy environment that includes a fireplace, suggesting that with improvements, The Palmerston could regain its former glory.
