Here you can find the [menu of Kashmir](#) in Bradford. At the moment, there are **16** dishes and drinks on the menu. Once celebrated as Bradford's go-to for hearty Pakistani cuisine, The Kashmir has seen a shift that has left loyal patrons disappointed. Although its longstanding reputation for affordability and flavor remains, escalating prices have not been matched with improved service or cleanliness, resulting in a tarnished dining experience. Many visitors note a decline in food quality, with complaints about bland dishes that fail to meet expectations. While some still find charm in its retro ambiance and quick service, the overwhelming sentiment is one of nostalgia for a beloved establishment that now struggles to compete amidst a sea of rising alternatives.
