Teeling Whiskey Distillery, nestled in the vibrant heart of the historic Liberties, invites you to step into a world steeped in Irish whiskey heritage. Since opening our doors in 2015, we have proudly held the title of the first new distillery in Dublin in over 125 years. Whether you're exploring the city for a weekend getaway or enjoying a day out with friends and family, we are the perfect destination for an unforgettable experience. Our doors are open seven days a week from 11 am to 6 pm, with guided tours departing every 20 minutes. Each tour allows you to dive deep into the whiskey making process under the guidance of one of our knowledgeable Teeling Whiskey Ambassadors. Your adventure culminates in a tasting of our award winning whiskeys, with options designed to cater to both newcomers and seasoned aficionados. For those looking to unwind, The Bang Bang Bar serves our full array of acclaimed Irish whiskeys and offers expertly crafted cocktails by our talented mixologists. Named after a cherished local figure, this lively bar is the perfect spot to relax and enjoy Dublin's whiskey culture. Since the establishment of a small craft distillery by Walter Teeling in 1782, whiskey making has run in our family's veins. Today, following in those storied footsteps, Jack and Stephen Teeling have revitalized Irish whiskey with their innovative approaches and opened the Teeling Whiskey Distillery just down the road from where the original distillery once stood. This culinary landmark has garnered numerous accolades for excellence over the years, representing the spirit of Dublin in every sip. Conveniently located just 15 minutes from St. Stephen's Green, we are easily accessible by car or public transport, with plenty to see along the way if you prefer to stroll. Come and experience why we are a must visit destination in Dublin. Don't just take our word for it—here's what our visitors are saying: The tour was amazing and the whiskey even more!
