Phil's Chippy stands out as a beloved destination for traditional fish and chips, praised for its delicious offerings and courteous staff. Many customers rave about the crispy fish and diverse menu, which includes pies and chicken, all at reasonable prices. However, recent feedback highlights inconsistencies in food quality, particularly the soggy chips and occasional issues with service, exacerbated by high demand from delivery drivers. Despite these bumps, the restaurant maintains a clean atmosphere and generally attentive service. With some adjustments, Phil's Chippy could reclaim its status as the top chippy in the area.
