A complete [menu](#) of Aziziye Halal from Hackney covering all 16 dishes and drinks can be found here on the menu. At this Turkish restaurant in London, the dining experience is a mixed bag. Some patrons rave about the authentic cuisine, welcoming atmosphere, and exceptional service, highlighting dishes like the mixed grill and Lamb Bayti as standout items. However, others have faced significant service issues, including long waits, shortages on the menu, and lack of communication from staff. While many appreciate the cleanliness and traditional setting, the inconsistency in food quality and service leaves much to be desired. Overall, this venue beckons with promise but struggles to deliver a uniformly positive experience, making it a gamble for large groups.
