A complete [menu](#) of The Dog And Bacon from Horsham covering all 15 courses and drinks can be found here on the menu. The Dog and Bacon provides a varied dining experience with some patrons praising its pleasant beer and home-cooked meals. However, many guests express dissatisfaction with inconsistent service and a lack of vegan options. The atmosphere often feels diminished by unruly locals, while some lament the neglected upkeep of the establishment. On the positive side, attentive staff and well-presented dishes have won over several customers. Despite its loyal followers, concerns about service delays and a run-down ambiance suggest that the restaurant needs to prioritize customer satisfaction to secure its place in the competitive dining scene.
