Mr T's Takeaway in Bolton presents a kaleidoscope of experiences, revealing the highs and lows of casual dining. While some patrons rave about the fresh, flavorful dishes, like the exquisite palak chicken and the standout red doner [kebab](#), others report a disheartening visit marked by poor delivery service and unsatisfactory food quality. Complaints about delays, mix-ups with orders, and a lack of customer support paint a less favorable picture. However, the establishment's ability to serve tangy pizzas alongside classic fish and chips keeps some food lovers returning. Amidst varied reviews, Mr T's remains a local fixture in the ever-competitive takeaway scene.
