A **comprehensive menu** of **Morrisons Cafe** from **Lichfield** covering all **16** courses and drinks can be found here on the card. Morrisons Lichfield's breakfast offering has encountered a significant decline, with many customers lamenting the decline in both food quality and service. Reports highlight stale, pre-packaged ingredients, poorly cooked items, and items like microwaved tomatoes and soggy mushrooms. Although some enjoyed a satisfying big breakfast, others experienced cold food and unhelpful service, with complaints about staff attitude and lengthy wait times. While the afternoon tea received praise, overall consistency appears lacking. Customers urge the restaurant to rectify these issues to restore its former breakfast glory and provide a better dining experience.
