Gardeners' Choice is a family-run business with centers in York and Scarborough that has been serving gardeners in North Yorkshire and surrounding areas for over 50 years. The York center was officially opened on December 7, 1968, by Mr. & Mrs. Dean. Due to the success of the York location, a second site was purchased in February 1986 on Seamer Road, Scarborough. Originally known as Quartons Nursery, the site was expanded and officially opened on April 11, 1987. The Garden Centre continued to grow in popularity, leading to an extension in 1995 that included a larger indoor sales area and the addition of the "Gardeners' Choice" Coffee Shop. In 1993, Mr. & Mrs. Dean retired and the business was left in the capable hands of their children Richard, Helen, and Sarah, who continue to manage the business today.
