Bayleaf, a long-standing favorite for Indian cuisine, has garnered mixed reviews in recent weeks. While many patrons rave about the delicious, flavorful dishes and the cozy atmosphere, several recent experiences have raised concerns. Complaints have surfaced regarding excessively sweet and bland Chicken Tikka Masala, unresponsive customer service, and perceived price hikes—raising eyebrows given the current economic climate. Some customers reported subpar meals that detracted from their dining experience, while others praised the restaurant's staff and the quality of the food. Despite the inconsistencies, Bayleaf remains a popular choice for locals who appreciate its veggie options and tasty specials.
