On this webpage, you can find the **complete [menu](#) of Indian Cottage** from County Durham. Currently, there are **30** meals and drinks up for grabs. The restaurant, which has been a family favorite for 25 years, has recently experienced a decline in quality and increase in prices. Dishes such as chicken Rogan Josh lacked flavor, and the king prawn balti was overly spicy. Other items, like the onion bhajis and mango chutney, were disappointing. However, regular customers have been impressed by the service, quality of food, and reasonable prices. The owner is praised for being friendly and attentive. Though it has had its ups and downs, the restaurant is still considered one of the best in the area.
