A comprehensive [menu](#) of Captain Flint's from South Hams covering all 17 dishes and drinks can be found here on the food list. A group of diners experienced mixed reviews at this family-friendly restaurant. While some encountered cold spaghetti, flat drinks, burnt crab cakes, and lackluster milkshakes, others were impressed by the quality and flavor of dishes like fillet steak and plaice. The restaurant is praised for its positive vibes, incredible pizzas, and accommodating staff, particularly in accommodating diners with allergies. Despite some portion size concerns, food quality remains consistently superb even during COVID adaptations. Other highlights include fantastic fish and chips, speedy service, and delicious pizzas with varied toppings, although opening hours may be a drawback. Overall, a popular spot with great food and service.
