A **comprehensive [menu](#) of Gurkha Paradise** from Derby covering all **25** dishes and drinks can be found here on the food list. Gurkha Junction offers a captivating mix of authentic Nepali and Gurkha cuisine that leaves diners eager to explore its extensive menu. While many praise the quality of dishes like momos and Gurkha chops, recent takeaways have sparked disappointment, with reports of diminished protein quality and portion sizes. Service is generally well-received, although promotional issues, such as the miscommunication regarding discounts, tarnish the experience for some. Overall, while the restaurant continues to deliver warm hospitality and flavorful meals, consistency appears to be an area needing attention. It's a place worth visiting, albeit with cautious optimism.
