On this webpage, you can find the **complete menu** of **Driftwood Cafe** from Thanet. Currently, there are **17** courses and drinks available. We are a small artisan bakery that offers our own freshly baked breads, homemade cakes, and custom-made sandwiches using high quality local ingredients. Recently, we opened a coffee lounge where customers can enjoy our delicious cakes and excellent coffee in a relaxed atmosphere. Due to popular demand, we have expanded our menu to include hot food such as English breakfasts, burgers, and paninis (made with our handcrafted ciabatta bread). We now offer a wide variety of food, all made with the best quality ingredients. In addition, we have just introduced Italian pizzas, beers, and wines to our menu. We pride ourselves on providing our customers with top-notch, freshly made food at affordable prices, as most of it is prepared in-house.
