Here you can find the [menu](#) of **Golden Sip** in HARROW. At the moment, there are **17** meals and drinks on the menu. Tucked away in the heart of the city, this restaurant offers a tantalizing fusion of Indian and Nepalese cuisine. Diners rave about the exceptional flavors, with favorites including chicken momos and spicy sukuti. However, experiences with service have been hit or miss. While some patrons delight in friendly staff and impeccable service, others recount long waits, forgotten orders, and rude behavior from management, leading to frustration and disappointment. Renovation and cleanliness are also points of concern. Overall, while the enticing menu promises a delightful dining experience, consistency in service remains the missing ingredient.
