A **comprehensive menu** of Pink Garlic from Taunton Deane covering all **17** courses and drinks can be found here on the card. Pink Garlic in Taunton presents a culinary experience that generates both fervent praise and pointed criticism. While many diners rave about the authentic flavors and quality dishes, such as butter chicken and lamb karahi, others recount frustrating experiences marred by poor service and delivery issues. Patrons have noted inconsistencies, from incorrect orders and unresponsive staff to unexpected charges on bills. Nonetheless, numerous customers appreciate the vibrant atmosphere and well-prepared meals, particularly during special occasions like Christmas. Despite the mixed reviews, it remains a notable choice for Indian cuisine, perhaps best suited for those willing to navigate its challenges.
