Kempton Tandoori presents a contrasting array of reviews, reflecting the complexities of its culinary offerings. While some diners laud the restaurant for its quick service, flavorful dishes like lamb madras, and excellent value, others lament tasteless curries, poor-quality meat, and unsatisfactory customer service. Noteworthy highlights include generous portions and timely deliveries, although frequent complaints about inconsistent quality and disappointing side dishes persist. The restaurant seems to harbor potential for delightful meals, but a significant portion of the dining experience remains hindered by ongoing issues that dissuade customer loyalty. It's a restaurant that invites both curiosity and caution.
