On this website, you can find the **complete [menu](#) of Coffee Cat Uk** from Ipswich. Currently, there are **15** menus and drinks available. Nestled by the waterfront, this café offers a delightful dining experience, complemented by a picturesque ambiance perfect for sunny afternoons. Patrons rave about the excellent coffee and a well-curated lunch menu featuring standout items like the Cat Club sandwich and various tasty options. Although the staff is friendly, service can be slow, particularly during busy times. While the café maintains a pleasant atmosphere, some guests noted concerns about noise from outside and inconsistent enforcement of health protocols. Overall, this hidden gem remains a beloved spot for regulars, ensuring good food and memorable moments against a scenic backdrop.
