Neptune's Delight offers a mixed dining experience that leaves diners divided. While some rave about the delectable spicy chicken [pizza](#) and exceptional pakora, others lament over cold chips and disappointing customer service. Despite fast service and friendly staff, issues like overpricing and inconsistent food quality have surfaced. Reports of canceled orders and refund troubles have also raised concerns. Yet, for those seeking a reliable chippy experience, Neptune's does provide good value meals like kebabs and fish and chips, making it a potential gem for quick bites—if you navigate the ordering process carefully.
