A complete [menu](#) of Roth Grill from South Somerset covering all 17 dishes and drinks can be found here on the card. The Roth Bar and Grill, located on a beautiful farm in Somerset, offers a delicious dining experience with friendly staff and great cocktails. However, recent visits to the Red Bar Grill have been disappointing, with underwhelming food quality and poor service. The menu at Red Bar Grill is expensive, with portions not justifying the price. On the other hand, Roth Bar and Grill provides consistently delightful meals, with options like squid and hake that are sure to impress. Overall, Roth Bar and Grill stands out as a great spot for a meal, while the Red Bar Grill needs improvement to meet expectations.
