A complete [menu](#) of The Mayflower from Basingstoke and Deane covering all 21 meals and drinks can be found here on the food list. The Mayflower restaurant offers a Sunday buffet with friendly but slow service. However, the food quality was disappointing and overpriced, with some dishes being inedible and smothered in salt. On the bright side, some diners enjoyed delicious, fresh, and hot dishes with excellent service. The menu offers a variety of tasty options, especially for vegetarians. The restaurant also provides prompt and friendly takeout and delivery service. Overall, the Mayflower might be hit or miss depending on your dining preference and what you choose to order.
