A complete [menu](#) of Four Crossroads Inn from Boston covering all **19** courses and drinks can be found here on the card. The Four Crossroads building has a rich history dating back to the century when it served as a coaching Inn and stables. We recently purchased the building in March and are excited to welcome our customers. With years of experience in serving food and drink at our other pub, The Ship Inn at Fosdyke Bridge, we are proud to offer a great party venue in our private function room for up to people. At Four Cross Roads, you can relax in comfortable and cosy seating areas while enjoying our popular carvery, which continues the Sunday Tradition and is followed by a choice of homemade puddings. While we close on Sunday evenings, we are open again at on Monday. We can't wait to see you for a memorable dining experience.
