On this webpage, you can find the **complete [menu](#) of Hadrian's Brasserie** from Northumberland. Currently, there are **18** menus and drinks up for grabs. Nestled in the picturesque Northumberland countryside, Slaley Hall offers a charming getaway with both delightful and disappointing elements. Guests have praised the warm, attentive staff and the relaxing spa facilities, featuring a spacious pool and comprehensive treatment options. However, the accommodations and dining experience reveal a more complex picture; while some diners enjoyed high-quality meals, others felt the food fell short of expectations. The decor of the rooms appears dated, and the service could be more attentive. Overall, Slaley Hall provides a pleasant retreat, but there's room for improvement to truly shine as a four-star destination.
