Rice's Restaurant offers a striking contrast of opinions, showcasing its potential while also highlighting significant shortcomings. The ambiance and staff friendliness consistently receive high praise, creating a welcoming atmosphere. However, many diners express disappointment with the food quality, with some dishes deemed overpriced and subpar. While certain meals, like the steak sandwich and sea bass, have garnered enthusiastic reviews, others, particularly the veggie wrap and pizzas, raised concerns over taste and preparation. Despite the inconsistencies, loyal patrons appreciate the generous portions and reasonable prices, often returning for the delightful service and intriguing specials. Overall, Rice's remains a neighborhood fixture, albeit with room for improvement.
