MYKONOS KOFTE

PRAWNS GIVLECH

A **complete menu** of Mykonos from Pembrokeshire covering all **18** dishes and drinks can be found here on the card. The dining experience at a prominent Greek restaurant in Tenby has drawn mixed reactions. Patrons praised the delicious and authentic dishes, especially the stifado and kleftiko, complemented by generous portions. However, service issues marred the experience, as some guests reported inattentive staff and a lack of understanding regarding dietary restrictions and children with special needs. Complaints included rushed service and mismatched menu descriptions. While the food received accolades, the front-of-house staff's attitude and responsiveness left many feeling unwelcome, leading to calls for greater sensitivity and improved service. A reminder that culinary delights can be overshadowed by poor hospitality.
