A comprehensive [menu](#) of The George Dragon from [West Oxfordshire](#) covering all 18 menus and drinks can be found here on the menu. Nestled in the heart of Long Hanborough, this charming pub presents a mixed bag for diners. While the inviting garden and spacious seating attract families, concerns over cleanliness and the upkeep of the establishment linger. The menu, boasting familiar fare like burgers and salads, lacks creativity, particularly for dietary preferences such as pescatarian or vegan. While some praised the attentive staff and warm atmosphere, others noted disappointment with portion sizes and food quality. The pub retains potential as a cozy gathering spot, especially with its traditional games and friendly service, but significant improvements are needed to truly elevate the dining experience.
