Here you can find the [menu of Sainsbury's](#) in Gloucester. At the moment, there are **17** meals and drinks on the food list. Nestled by the picturesque [Gloucester Quays](#), the Sainsbury's cafe presents a mixed bag of experiences for patrons. While customers praise the authentic taste of dishes like the veggie sweet potato katsu curry, the portion sizes often leave much to be desired. Unfortunately, service can falter during busy periods, with reports of dirty tables and limited menu options. Despite these drawbacks, the cafe's serene views of the canal make for a pleasant dining atmosphere. For budget-conscious diners, breakfast and other meals are reasonably priced, although freshness may vary. Overall, the cafe offers a convenient pit stop amidst shopping, albeit with some caveats.
