A **comprehensive menu** of Miso Noodle from BROMLEY covering all **18** courses and drinks can be found here on the menu. Miso Orpington presents a mixed dining experience that leaves many patrons disappointed. Reviews highlight subpar service with long wait times, particularly for dine-in customers overshadowed by take-out orders. Critical comments point to diminished portion sizes, price hikes, and unresponsive staff, contributing to guests feeling undervalued. While some diners appreciate the friendly atmosphere and generous portions during quieter visits, the overall sentiment reflects a need for improvement in both menu offerings and customer service. For now, Miso may be best suited as a takeout option rather than a go-to dining destination.
