A **comprehensive [menu](#)** of Norton Fisheries from Dudley covering all **17** meals and drinks can be found here on the menu. Norton Fisheries has earned a reputation for its delicious offerings, particularly its battered chips, which many patrons rave about as the best in the Black Country. While some meals shine—such as the crisp, golden cod and appealing portion sizes—others fall short, with reports of dry or reheated chips and mishaps in service, particularly during quieter operating hours. The staff's commendable customer service and rapid meal preparation often redeem the experience. Though some diners express disappointment with fluctuating quality, others consider it their new favorite chippy. Overall, Norton Fisheries remains a hit-or-miss destination in the local culinary scene.
