Here you can find the [menu of Legends](#) in Dublin. At the moment, there are **18** courses and drinks on the card. Legends offers exceptional entertainment with musicians and dancers, but the food and service fall short. Soggy and flavorless fish and chips, slow service, and bland dishes disappointed many diners. However, the lively atmosphere, great music, and variety of menu options, including Indian vegan food, make it a popular spot for a casual night out. While some patrons praised the quality of the food and friendly service, others found it to be just average. Overall, Legends seems to excel in providing a fun and lively environment, but could improve on the food and service aspect for a more well-rounded dining experience.
