On this webpage, you can find the **complete [menu](#) of Thai Street Kitchen** from Oxford. Currently, there are **19** dishes and drinks available. Located upstairs in a shared space with another restaurant, this Thai eatery in Cornmarket offers a student cafe atmosphere with subpar service and bland food. Despite its popularity, dishes like Massaman curry disappoint with lack of spice and flavor. Unappealing closing time pressure adds to the negative experience. However, loyal patrons appreciate the homemade quality of the cuisine and wide range of vegetarian options available. Despite occasional downsides like cooking oil smells and strong flavors, visitors enjoy authentic Thai flavors and recommend the establishment for its diverse menu and delicious dishes.
