On this webpage, you can find the **complete menu of Kingsbridge** from Cotswold. Currently, there are **18** menus and drinks available. Nestled in the picturesque Bourton-on-the-Water, this pub boasts a lovely exterior and appealing outdoor seating. However, the interior leaves much to be desired, with reports of cleanliness issues and lack of basic amenities like toilet paper. While the menu offers decent pub grub—well-cooked but often generic—service can be inconsistent, with long waits for drinks and food during busy periods. Patrons noted a limited selection of cask ales and flat beers. Overall, while the location and the staff's hard work are commendable, improvements in cleanliness and service are essential for a more enjoyable experience.
